

We're working hard to fight for our community.

Evo Exhibits is well-positioned to help in the battle against the COVID-19 virus. The needs of our healthcare workers and coronavirus patients are many, and the current production levels are not enough.

Utilizing our state-of-the-art manufacturing capabilities, Evo has adapted one of the many available designs to help deliver much needed protective **Face Shields** to our healthcare professionals, first responders, and anyone who has contact with a potentially infected population.

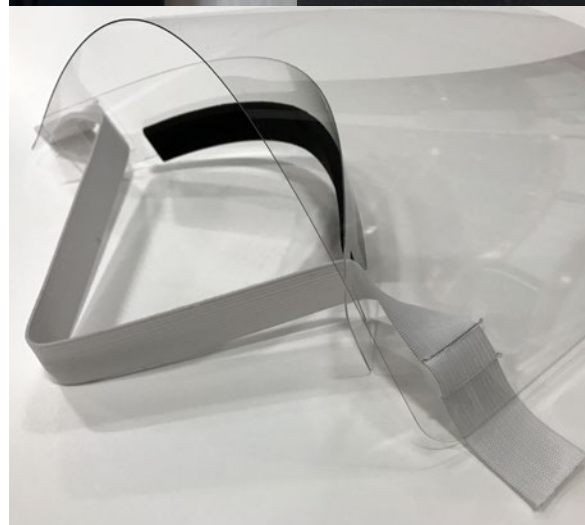

Reusable, Clear Face Shields

- 13" wide x 10" tall
- .020 thick, heat and impact resistant PETG
- Shield can be cleaned with warm water and typical non-abrasives including dish soap and Windex
- Comfortable forehead pad made from 1/4" closed cell neoprene
- One-size fits all adjustable head band, with 1" knit, latex free elastic
- Shipped pre-assembled for quick deployment

Pricing

- \$6.49/piece for quantities less than 500
- \$5.49/piece for quantities greater than 500
